

GREEN LION

THE SMART CHOICE!

**BEAM LIGHT
RECHARGEABLE HEADLAMP**
TELESCOPIC BEAM ADJUSTMENT

200 M
DISTANCE

The adjustable elastic strap provides a secure, comfortable fit for various head sizes, ensuring stability during movement.

Easily adjust the angle of the headlamp to direct the light precisely where it's needed for optimal visibility.

Choose between two brightness levels to conserve battery life or maximize illumination for different environments and tasks.

Switch between three lighting modes to suit your needs, from focused beams to wide, ambient light coverage.

Type-C Charging

350 lm Brightness

4.5 Hrs Working Time
